Dear Julie and Virginia:

I have recently learned of your organization, Operation Sandbox GA. I want to thank you for your service to our men and women in the armed services.

As a member of the Armed Services committee, I know how important organizations like yours are in providing our troops with love and support. I am deeply committed to ensuring the best possible care and help for our soldiers. Your dedication to the men and women overseas is an example of how we can all have an impact on the troops supporting our country.

Again, thanks for your commitment to our country. I wish you the best of luck and much happiness to you and your families. If I may ever be of assistance to you in the future, please let me know.

Very truly yours,
