

Operation Sandbox GA started in November 2004, by co founders Julie and Virginia Pearson. It was supported by the members of their church, as well as, other churches, individuals, civic organizations and businesses.

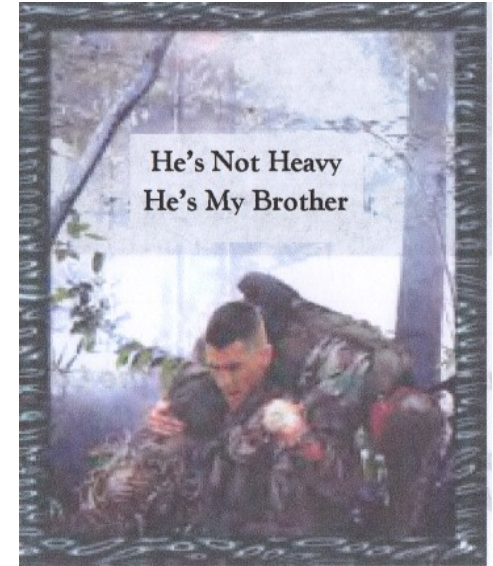

Operation Sandbox is dedicated to supporting America's troops through the sending of care packages. Each week volunteers meet to prepare "care packages" for our troops. These boxes are packed with a lot of love, encouragement and TLC. Our packages are sent to help strengthened the morale of our troops, show them they are deeply appreciated for serving our country and let them know their sacrifices have not gone unnoticed by the American people. We not only support Georgia's troops, but all branches of our military serving in Iraq and Afghanistan.

"Sandbox" started out as a one-time project to sponsor 32 "extra large" Christmas stockings, totaling 420 lbs., to a Marine unit in Iraq. Due to the overwhelming growth we branched out to become a 501 (c) 3 nonprofit organization.

Because of the outpouring of love and support from patriotic Americans, Operation Sandbox continues to reach members of our military serving overseas. We have reached over 86,000 service members and the numbers continue to grow each week.

Our story has been covered by The Associated Press, The Atlanta Journal/Constitution newspaper, numerous local newspapers and magazines including radio and WSB, FOX 5, NBC, WXIA (11 ALIVE), TBN and WATC television.

We have been recognized by the Georgia State Senate, Georgia House of Representatives, and the Newton County Board of Commissioners. "Thank You" letters from others include United State Senators, and General Peter W. Chiarelli, Office of the Vice Chief of Staff, US Army, Washington, DC. Most recently "Operation Sandbox" was one of the recipients awarded the "Tiffany Award" presented by WXIA TV (11 Alive) for outstanding local volunteers who have demonstrated selfless devotion for the betterment of the community in support for our military. Last but not least, presentation of an "Outstanding Service Award" from the Georgia Army National Guard, for support of their soldiers during deployment. The presentation was covered by FOX 5 TV – Good Day Atlanta.

**Operation Sandbox GA has become a success because so many patriotic Americans have joined together for one purpose. Whether it is donating items, raising money for postage, packing boxes, writing letters of encouragement or working behind the scenes, without each individual this would not be possible.**
