

Operation Sandbox GA started in November 2004 by co-founders Julie and Virginia Pearson. It was overwhelmingly supported by the members of their church, as well as, other churches, individuals, civic organizations and businesses. The idea behind Operation Sandbox GA, is to boost the morale of our troops serving in Iraq and Afghanistan. We send care packages to let them know they are deeply appreciated for the sacrifices they are making by defending our country.

Our first project sponsored 32 extra large Christmas stockings, totaling 420 lbs, to a USMC unit in Iraq. What started out as a one-time project, flowed into a ministry of a small church and then branched out to become a nonprofit charitable organization (501(c) (3) tax exempt). This is incredible!

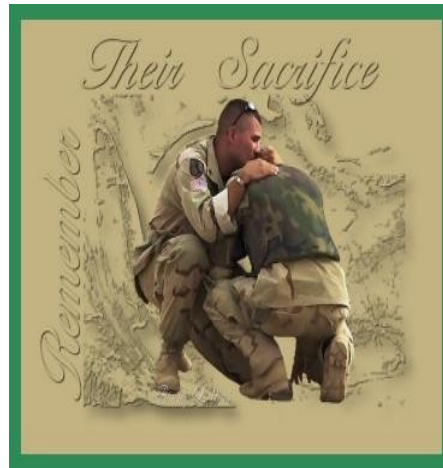

Because of the outpouring of love and support, Operation Sandbox GA continues to reach members of our military serving overseas. Since November 2004, we have reached over 80,000 service members and the numbers continue to grow each week.

In addition to sending care packages, we enclose cards and letters of encouragement in each care package to help strengthen their morale and to let them know that their sacrifice has not gone unnoticed by the American People.

The ultimate sacrifice has been made by our **FALLEN HEROES!**

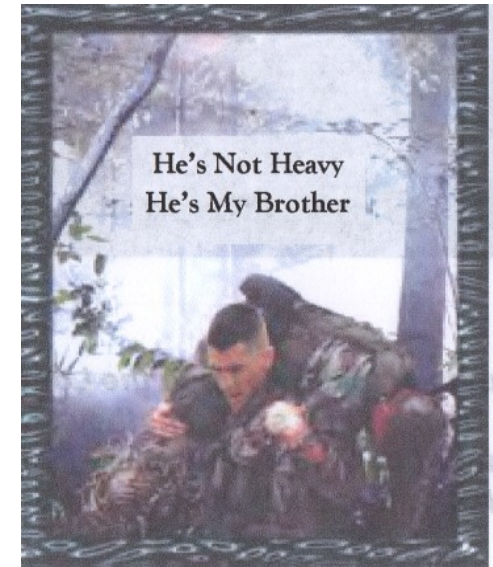

Join with us in honoring our fallen heroes and their families for the sacrifice they have made for our freedom.

Operation Sandbox GA has been recognized for its outstanding accomplishments by the Georgia State Senate, Georgia House of Representatives and the Newton County Board of Commissioners.

Operation Sandbox GA has become a success because so many people have joined together for one purpose. Whether it is donating items, raising money for postage, packing boxes, writing letters or working behind the scenes, without each individual this would not be possible.
